OUR MISSION

The Stark County Medical Society Auxiliary was founded in 1928 to promote good health and to enhance the quality of life through health education, legislation and community service throughout Stark County.

MAKING A DIFFERENCE

The Stark County Medical Society Auxiliary meets the health needs of our community in many ways:

- Supports existing health-related programs such as Safe Kids Day, the American Red Cross and the P.A.L Mission, a residential program that teaches life skills to young women.
- Awards scholarships to Stark County students pursuing degrees in medicine and the allied health professions.
- Develops programs for school children on Internet safety.

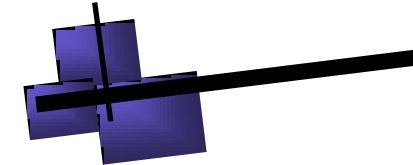

MEMBERSHIP BENEFITS

When you join the Stark County Medical Society Auxiliary, the Ohio State Medical Association Alliance and the American Medical Association Alliance, you become a member of the only national volunteer organization committed to public health care and safety. Together, these organizations address several critical issues affecting our communities, such as violence, health care legislation, wellness and assisting the medically underserved.

Other benefits include:

- Medical family support
- Legislative impact
- Leadership development & training
- Programs for personal growth
- Friendship
- Member publications
